If fraud has been committed in a election, that act of fraud vitiates the Electoral College votes cast by that state. AZ, GA, PA, MI, NV, WI, and others do have authority to recall their electors and force them to cast new votes for the rightful winner of the 2020 election.

So here is the team that garnished more votes than anyone in history. Biden who got his ass beat in the first three primaries and was basically broke. And Harris who had to drop out on Dec 3 as she could not raise any money or support. But together they were able to rally and become the DREAM TEAM who got 80 million votes. This is the biggest joke of all time perpetrated on the American People.
